Develop

## ***Preschool***

3 - 4 years old

In addition to our Christian curriculum, we also implement innovative school readiness including social and language development. We maintain a 1:8 caregiver to children ratio for this program.

**Welcome  
to CFDC!**

Early development is fundamental to the growth of your child. At CFDC our primary goal is to provide a stable, enjoyable environment where children learn to grow physically, socially, intellectually and spiritually. We also encourage creativity and self-understanding.
